1. [REDACTED] called requesting that I check on two outgoing cables from O/RR which appeared to be "operational" but which had not been co-ordinated with the FI area Division. The subject cables pertained to the [REDACTED] and O/RR readily agreed that such cables should hereafter be co-ordinated with the area division prior to release. I advised [REDACTED] accordingly. [REDACTED] and I plan to discuss in detail certain of the current problems concerning the clearance of cables and to develop a memorandum of understanding which can be distributed for the guidance of all personnel concerned.)
